*Cutting Through the Spin
on Stem Cells and Cloning*

- ☞ Understand the moral dilemma of stem cell research.
- ☞ Stem Cell research has become a controversial issue.

We need YOU to spread the truth.

Rev. Dr. Tadeusz Pacholczyk is the Director of Education at the National Catholic Bioethics Center in Philadelphia. He has a Ph.D in neuroscience from Yale University. In just over one hour, Fr. "Tad" clearly articulates the life issues of stem cells and cloning in this DVD presentation.

Therapeutic and reproductive cloning are examined both scientifically and morally. The need for careful protection and safeguarding of embryonic humans is stressed and highlighted.

We are pleased to offer this excellent DVD to you NOW for only \$10.

*If you order 2 or more we will send you with our compliments a copy of the most popular booklets we distribute:
Pius XI's *Atheistic Communism* and Bishop O'Gara's *Surrender to Secularism*.*
